How likely is it that you would recommend OpCon to a friend or colleague?

Market	NPS
US Financial Services	69
US Non-Financial Services	43
Europe	44
Total US	44
Global	57

Amazon = 62

Apple = 72

The background of the slide is a dynamic, abstract composition of orange and red splatters and streaks radiating from the center, set against a light blue gradient at the bottom.

Yes, that's
possible.
